The epitome of elegance, our Reynolds Suite is utterly unparalleled when it comes to romance. The perfect backdrop for a ceremony for up to 100 guests, a stylish wedding breakfast for up to 72 or an evening reception for up to 120.

With a southerly aspect overlooking a private sun terrace; soak up panoramic views of the entire estate.

In the summer enjoy photos and flutes of Prosecco al fresco, in the winter sink into the comfy leather club chairs and sip Champagne in front of the roaring fire.

The muted colours and sophisticated decor offer a sense of calm and timeless style with emphasis on the exquisite wood flooring, ornate ceiling rose and decadent details such as the gilded mirror and classic coving. But the real focal point is the view. With a layout to complement the landscape, the top table takes pride of place in front of the terrace.

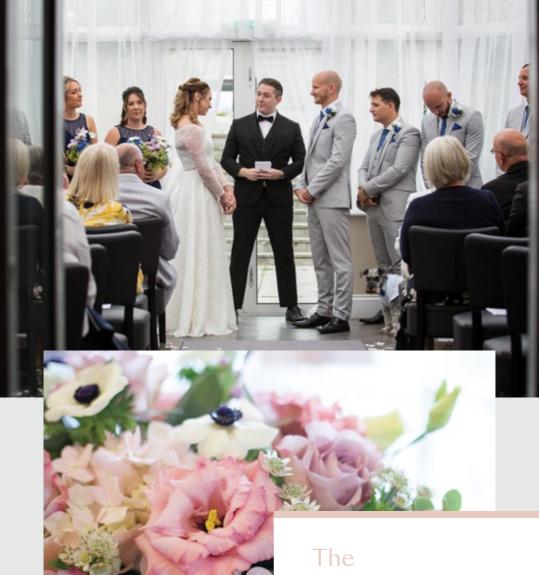

Guests can gaze out over the grounds as they raise their glass in celebration...

The Conservatory

The perfect space for a ceremony, The Conservatory can seat up to 72 guests. Light and airy, the suite brings the outdoors in with sunlit seating that is completely sheltered from the elements.

The Conservatory is a transformative space that is enhanced by the elements each season. Soaked in sunlight during the warmer months, intimate and atmospheric with a lantern lit aisle during the winter.

Overlooking the exclusive and intimate courtyard, ideal for Champagne al fresco; The Conservatory has space and sophistication in spades.
